MEMORANDUM FOR: Director of Finance

Les:

In a non-pressure way, Colonel White's secretary telephoned a few days ago to inquire if we had anything else in the mill on the Inspector General's Report of Survey of the Office of Finance. Our girls "punted" successfully, but it is possible we may get another query in a couple of weeks.

I know that you are trying to get at the total management picture and that it is unlikely that you have any specifics on formal recommendations at this point. Would you please do the favor of looking at the memorandum we sent to Colonel White (DD/S 68-0652, dated 12 February 1968) and let us know any additional comments which you consider might be pertinent to make at this time, together with any suggested predictions as to when we might have more to say.
